SFVOS Annual Orchid Auction

This is your chance to be the winning bidder for that special orchid you always wanted to have for your own collection. Phalaenopsis is a great orchid for growing in your home. Some will grow and flower throughout the year. Perhaps you like long sprays of Cymbidium. They are tolerant of heat (miniatures) and seem to flower in warmer weather. Epidendrum seem to "grow like weeds" with minimal care and watering. Whatever is interesting to you, we hope to have at our auction. This is your chance to bid on good plants and raise money for the SFVOS. These funds pay for next years guest speakers and their amazing programs. Our auctioneer will be Doug Overstreet.

Remember the date:

Wednesday, April 2nd, 2014

Sepulveda Garden Center

16633 Magnolia Blvd.

Encino, CA 91316

Doors open at 6:45 and the auction begins at 7 PM

See you there!

Congratulations are in order!

After entering three beautiful cymbidiums in the Santa Barbara International Orchid Show, Norma Johnson won a Blue Ribbon for one of her entries. Three cheers to you!

When you are on the Greenhouse tour on March 29th, and you arrive at the Johnson home, look for this prize winning orchid in their backyard.

The trip to Santa Barbara

A big thank you to members Sonia Villarroel and Huong Luu, who made the long trek up to Santa Barbara Orchid Show and then joined Millie Peskay and Falguni Trieu in the Sales Room to ask vendors for donations of orchid plants for our upcoming SFVOS Orchid Auction. Many vendors were very helpful, and we got some great plants for our auction. As always, the members who helped will be reimbursed for the entrance fees and parking for the SBIOS. Thank you to all for your help.

REFRESHMENTS

At the April SFVOS meeting, we will be having a 10 minute break in the middle of our auction. Please bring whatever snacks you would like to share with the members and our guests at the auction.

Thanks a million!
